Items:

- **IMPACT on School**
BSL gradually disappeared from classrooms, Deaf teachers were considered unable to teach through speech and lipreading
- **IMPACT on Students**
Most kids continued to use BSL but when they left school, it typically was mixed signs and English (SSE).
- **IMPACT on Students**
Those who still used BSL couldn't get information or instruction in their language. They couldn't really compete in education and employment.
- **Impact on Deaf**
